St Mary's Church of England Primary School Spiritual, Moral, Social and Cultural Policy

St Mary's Church of England Primary School will provide a happy, caring, family environment where children feel inspired. We know that every child matters – whatever their skills and abilities, whatever their background and whatever their aspirations. Belonging to a safe and nurturing community, founded on strong Christian values, children will develop an array of skills that will equip them to meet the challenges of our ever changing world and to make their own positive contribution to our global society.

Our vision

Our vision, as a Church of England primary school, is deeply rooted in a strong Christian tradition, to develop happy, young people with enquiring minds, a lifelong love of learning, respect for themselves, others and the environment so that they will have the skills, resilience and adaptability to thrive in a rapidly changing world.

The Bible verse that sets our vision statement in context comes from the words of Jesus:

“I can do all things through Him who strengthens me’ Philippians 4.13

We have five core values that are strategic to this vision

Our core values

Forgiveness, courage, friendship, respect and perseverance.

All we do as a school is underpinned by these values

Whilst growing in God's love, we will support and encourage one another to aim for the best in all we do.

At St Mary's Church of England School we recognise that the personal development of pupils, spiritually, morally, socially and culturally, plays a significant part in their ability to learn and achieve. We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of the cultures.

Guidelines

All curriculum areas have a contribution to make to the child's spiritual, moral, social and cultural development and opportunities for this will be planned in each area of the curriculum.

Christian spirituality and Christian values and principles will be explored in all curriculum areas, especially in RE/Collective Worship, but the integrity and spirituality of pupils from other faith backgrounds will be respected and explored. The diversity of spiritual traditions will be recognised, and pupils will be given access to alternative views.

All adults will model and promote expected behaviour, treating all people as unique and valuable individuals and showing (Christian) love and respect for pupils and their families.

The school community will be a place where pupils can find acceptance for themselves as unique individuals and where forgiveness and the opportunity to start again is fundamental to the ethos of the school.

Pupils should learn to differentiate between right and wrong in as far as their actions affect other people. They will be encouraged to value themselves and others.

Pupils should understand the need for rules and the need to abide by rules for the good of everyone. School and classroom rules should reflect, reiterate, promote and reward acceptable behaviour and provide opportunities to celebrate pupils' work and achievements.

All curriculum areas should seek to use illustrations and examples drawn from as wide a range of cultural contexts as possible. This will be reflected in teacher's planning and purchasing decisions.

General Aims

- To ensure that everyone connected with the school is aware of our values and principles.
- To ensure a consistent approach to the delivery of SMSC issues through the curriculum and the general life of the school.
- To ensure that a pupil's education is set within a context that is meaningful and appropriate to their age, aptitude and background.
- To ensure that pupils know what is expected of them and why.
- To give each pupil a range of opportunities to reflect upon and discuss their beliefs, feelings and responses to personal experience.
- To enable pupils to develop an understanding of their individual and group identity.
- To enable pupils to begin to develop an understanding of their social and cultural environment and an appreciation of the many cultures that now enrich our society.
- To give each pupil the opportunity to explore social and moral issues, and develop a sense of social and moral responsibility.

- Begin to understand the Christian imperative for social justice and a concern for the disadvantaged.

Cultural Development

As a school we aim to promote opportunities that will enable pupils to:

- Recognise the value and richness of cultural diversity in Britain, and how these influenced individuals and society.
- Recognise Christianity as a world-wide faith.
- Develop an understanding of their social and cultural environment.

- Develop an understanding of Britain's local, national, European, Commonwealth and global dimensions.

Teaching and Organisation

Development in SMSC will take place across all curriculum areas, within activities that encourage pupils to recognise the spiritual dimension of their learning, reflect on the significance of what they are learning, and to recognise any challenges that there may be to their own attitude and lifestyle.

All curriculum areas should seek illustrations and examples drawn from as wide a range of cultural contexts as possible.

Class discussions and circle time will give pupils opportunities to:

- Talk about personal experiences and feelings.
- Express and clarify their own ideas and beliefs.
- Speak about difficult events, eg bullying, death etc.
- Share thoughts and feelings with other people.
- Explore relationships with friends/family/others.
- Consider others needs and behaviour.
- Show empathy.
- Develop self-esteem and a respect for others.
- Develop a sense of belonging.
- Develop the skills and attitudes that enable pupils to develop socially, morally, spiritually and culturally – e.g. empathy, respect, open mindedness, sensitivity, critical awareness, etc.

Many curriculum areas provide opportunities to:

- Listen and talk to each other.
- Learn an awareness of treating all as equals, and accepting people who are physically or mentally different.
- Agree and disagree.
- Take turns and share equipment.
- Work co-operatively and collaboratively.

Links with the wider community

- Visitors are welcomed into school.
- Links with the Church are fostered through links with the local church and the Diocesan Board of Education.
- The development of a strong home-school link is regarded as very important, enabling parents and teachers to work in an effective partnership to support the pupil.
- Pupils will be taught to appreciate their local environment and to develop a sense of responsibility to it.

Monitoring and Evaluation

Provision for SMSC is monitored and reviewed on a regular basis. This is achieved by:

- Monitoring of lesson plans and teaching and learning, by co-ordinator/senior management/head-teacher/governor.
- Regular discussion at staff and governors' meetings
- Audit of policies and Schemes of Work.
- Sharing of classroom work and practice.
- Audit of Collective Worship policy and practice.
- Collation of evidence in pupil's work in school portfolio.
- Regular inclusion on SDP/SIP.
