

## Maths

- To recognise and order numbers to 20 and beyond
- To count forwards and backwards from 20 and beyond.
- To use numicon and 10s frames to add and subtract numbers.
- To understand doubles and halves.
- To start to count in 2s 5s and 10s.
- To learn about symmetry.

## Outdoor learning

Will support all the different areas of learning in our new sheltered area and in our woodland Classroom too.

## Knowledge and understanding

- To notice the changes outside for summer.
- To grow butterflies and notice changes and learn about life cycles.
- We will be taking part in 30dayswild in June and exploring the natural environment each day with a different focus
- Technology** The children will be taking photos with the iPad to record their own learning. They will be using art programs to create their own bug themed pictures.

# Bugs Bugs Bugs

## English

**Phonics:** To revise Phase 3 phonic sounds, especially the digraphs and trigraphs and learn phase 4 adjacent consonants CVCC CCVC CCVCC CCCVCC etc words with short vowels and with vowel digraphs so words such as spring, frog, float, frown.

**Reading books** . We will change books x2 a week Mon and Fri. Please sign the record book if your child has read at home. They should read a book at least x2 to build confidence and understanding.

**Tricky Words:** please practise reading and spelling the tag words your child has. We will add more as we learn them.

**Writing.** We will be writing stories about bugs, Creating our own bug poems/riddles and fact files about insects.

## Cooking

This term we will be setting up an independent cooking station as part of the provision in the classroom. Please check Parent Pay to make your £3 contribution for this term. Thank you

## R.E/PSHE

Our jigsaw theme this term is Relationships (family friends and people who help us)

In R.E we will be learning about special places like our home. Church, Mosque and Synagogue.

## Expressive arts and design

We will be creating bugs using clay. We will be painting insects in the style of Eric Carle (the author) and mixing our own colours.

In Music we will be learning and performing bug songs. We will be playing a steady beat using percussion instruments and composing music to show an audience.
