

## Willow Class Topic Web Term 22.2.21

**Maths** We will be learning to count forwards and backwards to 20.

Consolidating making teen numbers and identifying how many tens and how many ones in each number.

We will be learning to identify one more and 1 less than a number and using correct vocabulary to compare numbers more/fewer.

### Cooking

To follow instructions and make spring biscuits and make chocolate nests independently.

Please look out for this terms contribution request

of £5 for cooking on Parent Pay, thank you.

### Knowledge and understanding

**Science** We will be learning new vocabulary to describe materials and create space rockets from different materials.

**Geography** We will be looking at the world from space, exploring globes and understanding sea and land.

**Technology** We will be learning to take photos with the iPad to record own learning using drawing/art programs to create own space themed pictures.

## Space

### Outdoor learning

We will be looking for signs of Spring in the woods and using spring spotter sheets.

We will also be making nests for the birds.

### R.E/PSHE

Our school value this term is Justice

Our jigsaw theme this term is Healthy Me.

In R.E we will be learning about Spring and The Easter Story.

### English

**Phonics** Phase 3: we will be revising sounds already learnt and learning oo igh ar ur ure oi ow er ear air and applying them to reading and spelling in sentences. We will also be revising tricky words learnt so far and learning the new ones **said her they are all**.

**Reading books** will be linked to the sounds we have been learning, so it is important to practise them regularly at home. Books will be changed on a Monday and a Friday. Please make a note or simply a tick and initials to indicate if a book has been read at home.

**Writing.** We will be reading Beegu and learning to create story maps, to talk about how the characters feel and what they may say to each other. We will be giving oral instructions linked to our space topic eg How to clean your teeth in space and then writing instructions too.

### Expressive arts and design

We will be trying blow and bubble painting linked to the 3 pigs.

We will be looking at still life paintings by artists and painting spring flowers in the style of one of them e.g Van Gogh

We will be exploring a range of junk modelling techniques to make space rockets.

In music we will be learning to sing nursery rhymes with actions and instruments. Also performing a story retell to Hungarian dance Vol 5 Johannes Brahms
